Unit Check-Ups

See Program Guide page 25 for more detailed directions and information.

GROUP TRACKING

DIRECTIONS
- Enter the total number of errors for each student in the Errors column.
- Put a check (✔) in a box in the Status column for each student based on the number of errors student made.
- Enter the total number of students in each status column on Group Status Totals line.

STUDENT RECOMMENDATIONS BASED ON STATUS – Number of Errors Indicates Status
0-1 error: Student is ready to advance to the next Unit.
2 errors: Student is ready to advance to the next Unit, with caution. Student will need extra practice during the next Unit.
3+ errors: Student needs more practice in the current Unit before moving on to the next Unit.
   Note: If a student has 2 or more errors for 3 Units in a row, provide more practice before moving on.

GROUP RECOMMENDATIONS BASED ON GROUP STATUS TOTALS
All students score 0-2 errors: Move to next Unit.
Fewer than half of the students score 3+ errors: Teacher decides whether to provide more practice or move on to the next Unit.
Half or more of students score 3+ errors: Provide more practice in current Unit before moving to next Unit.
